...Before**

**DALE ALEXANDER**

**“Living Happily Ever... Before”** is being at peace in your marriage and/or other relationships, content with possessions, status, jobs and a multitude of other life conditions without regard or reliance on any positive outside circumstance or event.

## 1. \_\_\_\_\_ someone of Value.

Value is “Doing acts of worth or importance that elevate the quality of a person or environment. It becomes a standard or principle that guides actions and sets an environment.

“A good name is more desirable than great riches.

To be esteemed is better than silver or gold.”

Prov. 22:1

Realize the outcome isn't about the income. Know what “success” looks like.

## 2. \_\_\_\_\_ something of Value.

*Every one of us, in some way, want to feel important to something.*

What is the B.I.G. thing you're working on?

**B-** BIG- It has to push you out of your comfort Zone.

**I-** Inspiring to not only OTHERS, but YOU.

**G-** It should Guide others to a better life

**Be an ENCOURAGER**

**Will my words be “life-giving” for others today?**

## 3. \_\_\_\_\_ someone those values.

“Poor” people should take “rich” people to lunch. (Nothing to do with money)

“Poor” means anything I feel I am lacking in what it “could be.” (Marriage, finance, parenting, work ethic, etc.)

**Look for the “Burning Bushes”**

“Not all storms come to disrupt your life. Some come to clear your path.”

**Be \_\_\_\_\_.**

**Realize there will be a last time for everything.**
